Who We Are

M.G.I is a **creative media production** company and music label based in Thailand, serving regional and international clients.

What We Do

We help brands, agencies, artists, and record labels craft high-end visual and audio content — from initial concept to final delivery.

The All-in-One Production Ecosystem

The Problem

Assembling separate teams creates friction and inefficiency.

Our Solution

M.G.I unifies all creative disciplines
under one roof.

Our Approach

One Dedicated Team

**One Seamless
Workflow**

**One Accountable
Production Partner**

End-to-End Production Capabilities

Commercial & Brand Content

TVCs, brand films, promos, digital ad creative.

Video Production

Directing, full crew, cinema-grade cameras, drone cinematography, line production.

AI & Hybrid Production

AI video generation, generative graphics, hybrid traditional-AI filmmaking.

Post-Production

Editing, color grading, VFX, motion graphics, master formatting.

Music & Audio Production

Bespoke scoring, sound design, recording, vocals, mixing & mastering.

Artist & Music Projects

Songwriting, music videos, creative direction, artist branding.

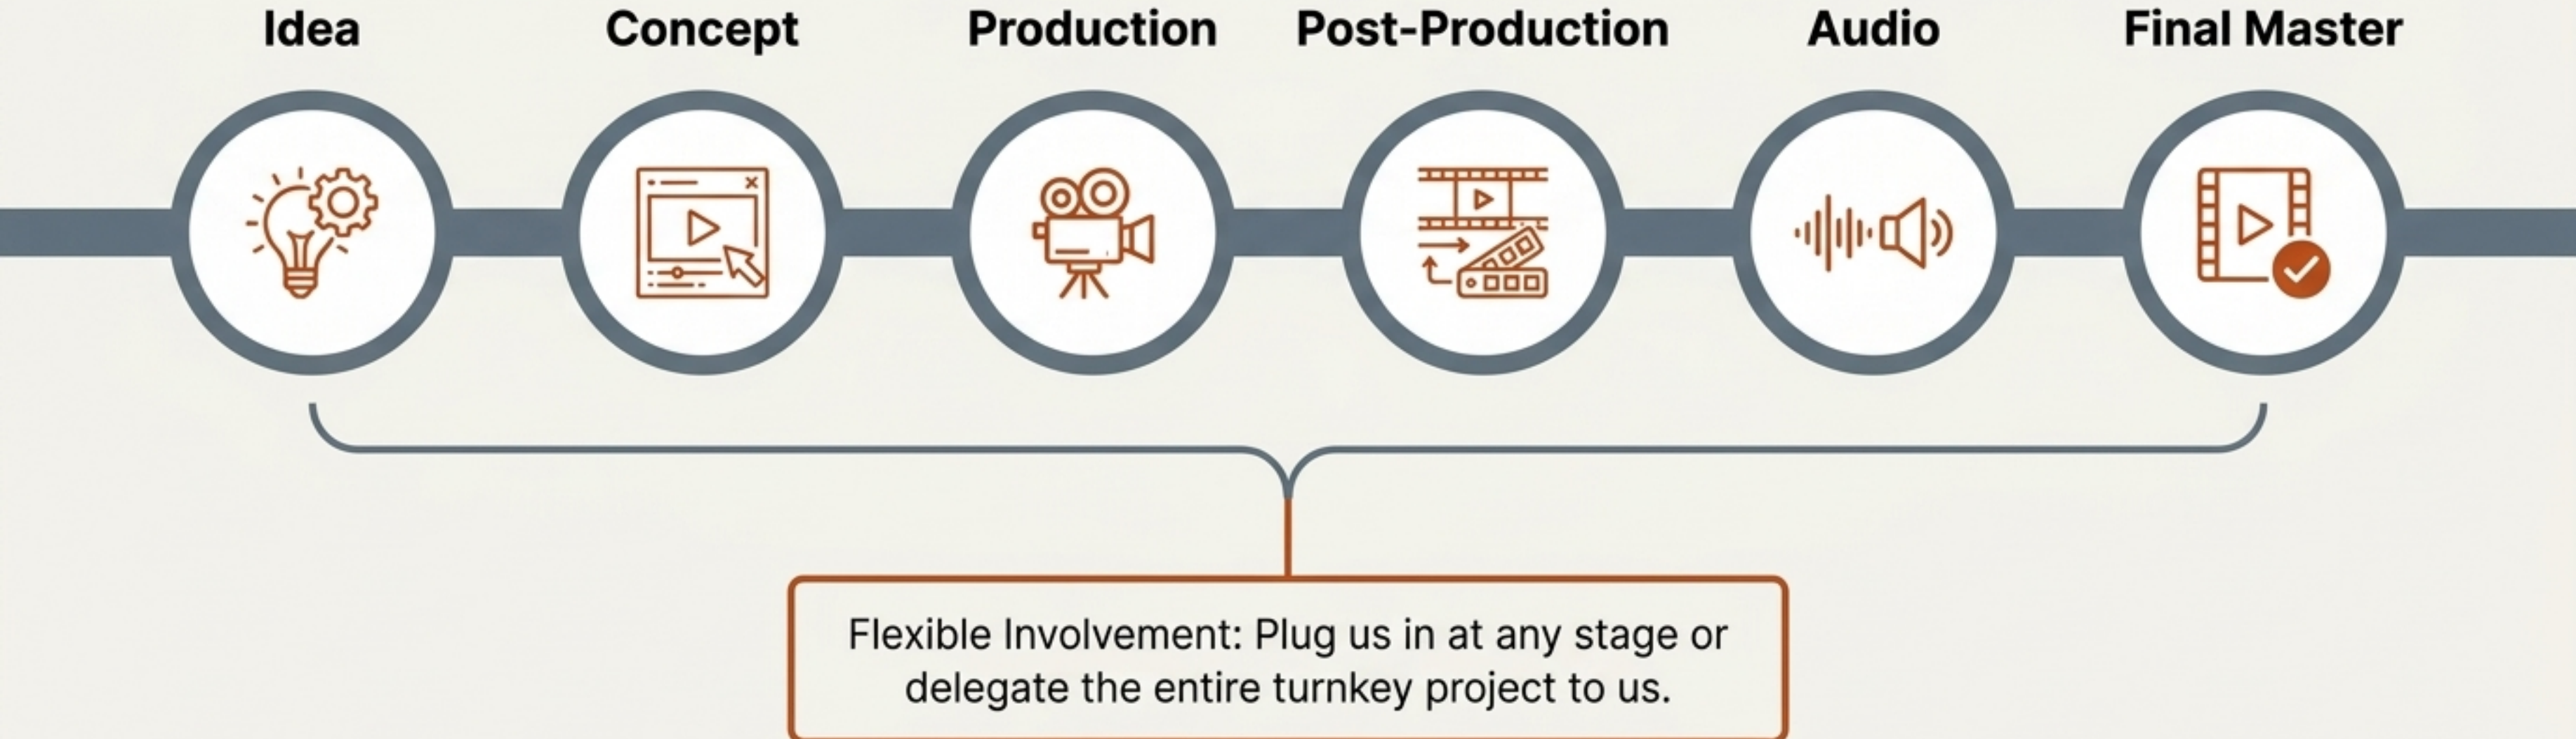

Distribution & Promotion

Release strategy, music distribution, campaign promotion.

How We Partner

More Than Service Providers — Your Creative Partner

Stop managing multiple contractors.
We handle the entire pipeline:

Who We Work With

Tailored Solutions for Every Client

Brands

Integrated ad campaigns and visual assets.

Agencies

Reliable white-label production support.

Corporations

Corporate media and digital video content.

Artists & Labels

Music production, music videos, release marketing.

International Clients

Local production management across Thailand & Southeast Asia.

Let's Build Together

Your Vision. Our Execution.

You don't need a detailed technical plan to start.
Just tell us:

1
What you want to create

2
Who your audience is

3
What outcome you expect

We build the ideal workflow around your goal — from small-scale digital projects to full-spectrum campaigns and global releases.

Have a project in mind? Let's talk.

From Concept to Final Master — All in One System.
